ARE YOUR CO-WORKERS OR EMPLOYEES OVERSTRESSED?

Invite me to provide professional chair massage at your work site - what a great way for you to say "Thank You" to your staff, co-workers, or clients!

Clients are seated upright on a special massage chair and remain fully clothed. No oils are used, so there is no need for the client to be concerned about clothing stains.

The session generally lasts from ten to twenty minutes. The chair is lightweight and portable, enabling it to be set up in virtually any office or break room.

Visit my website for more information on the benefits of massage and how it can work for you, your family, friends and employees.

I look forward to working with you!
